Dear Harold

Thanks for good additional material. I'll hold up on a follow-up story till I see how Peter Morse's 1st story went. I haven't yet seen any printed versions of it or, indeed, the final manuscript as PNS revised it.

Tried to reach Kay on the phone today, but couldn't.

I'm aware of blur in some of the photocopies I sent you. Crosstown P.O. copier is rotten & I'll seek out a crisper machine.

A switch in writing direction: Today I sold 9 political gags to Pat Paulsen, who's appearing here. In 1972, you recall, he was standard bearer of the Stag Party.

Best,
